

Noxzema Ultimate Clear Anti-Blemish Daily Scrub helps clear current acne breakouts and prevent future ones to leave skin smooth and healthy looking.

This oil-free, alcohol-free facial scrub exfoliates dead skin cells while the salicylic acid and jojoba help dry up acne pimples and help prevent future blemishes. This dermatologist tested daily scrub is free of oil and alcohol, and combines gentle cleansing with effective breakout-fighting power.

Clean the skin thoroughly before applying this product. Cover the entire affected area with a thin layer and rinse thoroughly one to three times daily. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day. Avoid contact with eyes. If contact occurs, rinse thoroughly with water.

• **Benefits:**

- .Gently removes impurities with a smooth, hydrated feel.
- Oil-Free & Alcohol-Free .
- With Salicylic Acid.Dermatologist tested
