Strengthening Shampoo

with Organic Quinoa, Baobab and Biotin
Clear the way for wholesome body and healthy volume. A total reset for thin and thinning hair, this 100% vegan formula harnesses the power of nature's nutrients to free your scalp from follicle-clogging impurities and strengthen each individual strand. Visibly thicker, fuller hair achieved. Hair goals realized

- Organic Quinoa works to repair and protect hair strands. Its benefits accumulate through repeated use.

- Vitamineral Boost rejuvenates the scalp surface with a rich, indulgent blend of essential minerals (Copper, Magnesium, and Zinc).

- Organic Baobab (from the majestic African tree) deeply hydrates and protects hair strands.
